

Thanks to Scott Dowd and Jackie Anderson and NEAq for hosting the Al Faul Memorial NEAq Tour.Â This year we had the main galleries all to ourselves.

Â

PLEASE TAKE NOTE

Â

Our Spring Breeder's Auction has been pushed back to May 20th in response to the NEC Auction, April 14th in Hartford,

Â

The Spring Breeder's Auction is right around the corner. The split is 70/30 so bring in those rare and unusual fish for this one. And come prepared, all of our auctions produce more equipment than we can handle. The result is it goes cheap, very cheap, embarrassingly so.

Bring a truck and take advantage.

Anyone wishing to stay in touch with us.
